

Mayor Dan Camp has declared Friday, April 17, 2009 the **BIG EVENT** Day in the City of Starkville! This day hosts the MSU Freshman Council's one-day, student-run community service project, the **BIG EVENT**. This new and exciting project offers you, the Mississippi State student body, the opportunity to say, "Thank you!" to everyone in the greater Starkville community.

You can sign up now to volunteer with a group of friends or with an organization to work on a variety of service projects. This is your opportunity to give back to local organizations including: Habitat for Humanity, Salvation Army, Rolling Hills, Starkville Manor, Big Brothers/Big Sisters, Starkville Public Schools, Stew Pot, and many more. You could be painting, building, gardening, or cleaning to better our community. Each individual who registers will receive a **FREE T-SHIRT**, compliments of the city of Starkville.

The goal for the 2009 **BIG EVENT** is to establish a tradition for years to come in which each campus organization will commit to volunteer. Job request forms have been distributed to every business, church, and other city organization in Starkville! Please join the Student Association and Freshman Council in expressing our gratitude and appreciation for our supportive community by volunteering for the 2009 **BIG EVENT!**
