## 2009 Freshman Forum and Freshman Council Application

**Freshman Council** is a way for freshman students to get involved with the Student Association as soon as they come to campus. This group gives students a chance to gain valuable leadership skills to use throughout their time at MSU. Freshman Council will be the voice for the freshman class and will connect students with other campus organizations and be offered opportunities to speak to administration, and work with the Student Association as well. There will be weekly meetings to work in all of these areas and to help meet each others goals.

**Freshman Forum** is a way for freshmen students to get involved with the Student Association as soon as they come to campus. This group gives students a chance to gain valuable leadership skills to use throughout their time at MSU. Freshman Council will meet weekly to plan and organize as commity-wide service project call The Big Event. Freshman Council members will have the oppertunity to be leaders among their class on campus as well as give back to the Starkville community. As this is only the second year for The Big Event and there is room for improvement, the organization is in need of fresh ideas and will provide many exciting oppertunities!
