

**Senator Wamble**  
*Student Affairs Committee*  
*63<sup>rd</sup> Senate*  
*2<sup>nd</sup> Session*

**RESOLUTION 2**

**A RESOLUTION OF STUDENT SUPPORT FOR THE INSTALLATION OF  
COMPLEMENTARY SUNSCREEN STATIONS IN THE NORTH SECTION AT DAVIS WADE  
STADIUM**

**WHEREAS**, prolonged exposure to the sun can cause burns, and increase the risk of skin cancer, including melanoma, a leading cause of skin cancer-related deaths in the United States; and

**WHEREAS**, the University of Alabama, among other institutions, has successfully implemented complementary sunscreen stations at football games, promoting both sun safety and student well-being; and

**WHEREAS**, Mississippi State University currently does not provide complementary sunscreen stations at Davis Wade Stadium, placing students and attendees at greater risk of sun exposure without access to preventive resources; and

**WHEREAS**, the installation of complementary sunscreen stations would demonstrate Mississippi State University's commitment to student and guest health and safety, aligning with national trends in health-conscious campus facilities; and

**WHEREAS**, a proactive approach to sun protection at outdoor events would enhance the overall game-day experience and reduce health risks associated with UV exposure, fostering a safer environment for our Bulldog community; and

**THEREFORE, BE IT RESOLVED** that we, the Student Association Senate of Mississippi State University, support the decision to install complementary sunscreen stations at Davis Wade Stadium to promote health and safety among all attendees; and

**THEREFORE, BE IT FURTHER RESOLVED** that a copy of this resolution be sent to Deputy Athletic Director for External Engagement, Tom Greene; Assistant Athletic Director for Student Experience, Spencer McAnally; and Associate Athletic Director for Fan Experience and Sales, Connor Whelan.
