Article VI Finance Code

3. Justification for any denied requests.

- B. The SA Senate Appropriations Committee, working with the SA Treasurer, must keep a detailed record of all apparent violations of the rules for appropriations found in Article VI, Section 5-E of these SA Bylaws. The SA Senate Appropriations Committee Chair is responsible for notifying the SA Senate of any violation of the rules for appropriations exceeding a monetary value of two hundred and fifty (250) dollars. This notification must take place at the first meeting of the SA Senate after the Chair becomes aware of the violation.**
- C. The SA Senate Appropriations Committee, working with the SA Treasurer, must keep a detailed record of all durable equipment purchased by campus organizations utilizing SA funds. Durable equipment includes but is not limited to: tables, tents, electronics, branded materials such as table cloths or runners, coolers, etc.**

Section 5 Guidelines for Appropriations

- E. The following rules should govern the appropriation of SA funds:
 - 5. At the discretion of the SA Treasurer and SA Senate Appropriations Committee, funding may be denied for durable equipment as defined in Article III Section 18-C of these SA Bylaws, if the requesting organization has received funding for similar durable equipment within the past six (6) semesters.**
